NORDIC BEARDS

100% NATURAL BEARD OILS

We wanted to create the best possible, caring and moisturizing beard oil.

The Nordic Beards products are of high quality and they contain only carefully selected, natural beard and skin care ingredients.

Our beard oils contain seven base oils: Argan, Jojoba, Avocado, Castor, Almond, Apricot and Vitamin E.

The scents are made by selected blend of essential oils. Each product has its own unique scent.

All Nordic Beards beard oils are 100% natural and vegan.

Nordic Beards beard oils have been named after the areas of the ancient Finnish tribes as a tribute to the beginning of our country's history. We named our unscented beard oil after our beloved neighbor.

Birkaland = soothing, calming, invigorating (Rosemary, Lavender, Peppermint)

Kvenland = woody, masculine (Ho wood, Cedar wood, Pine wood, Frankincense)

Karelia = spicy, earthy (Patchouli, Black pepper, Vetiver)

Lappmark = cooling, fresh (Eucalyptus, Tea tree, Petitgrain)

Tawastia = refreshing, citrus (Lime, Lemon, Clary sage, Bergamot, Sweet orange)

Savonia = licorice-like (Juniper Berry, Fennel, Coriander)

Svealand = unscented
